Welcome to Grbic Restaurant

Here at Grbic Restaurant we take the utmost pride in all of the work we do. The owners, Sulejman & Ermina Grbic, grew up in the former Yugoslavia and have brought with them only the best recipes of eastern European traditions. Sulejman, who is a butcher by trade, buys only Missouri grass-fed beef & veal. He butchers everything in house; down to all of our fresh cut steaks, ground beef, chuck roast and the most tender and juicy filet mignon. Ermina has been in the restaurant industry her whole life she still uses all of her mothers & grandmothers recipes and makes everything from scratch. We only use local ingredients in all of our cooking and we support small businesses within Missouri and Illinois. Grbic's is family owned and operated and we want to make sure your next event is beyond a doubt perfect.
